- SACC Region VI Meeting - February 22, 2013.
  1) Taft College and College of the Canyons were deactivated.
  2) We discussed the possibility of having a Spring Training Conference.
  3) We went through the Region VI Governing documents and made some minor changes.
  4) A representative from UCSB gave a presentation about the possibility of forming the California Union of College and University Students.

Justin Perocco Committee Report

2-27-13 Academic Senate Meeting

In his President's Report, Dean Nevins said that Dr. Gaskin liked and approved of the Academic Senate's new revised version of the mission statement draft. He also announced that on Thursday, March 7th from 4:00-5:30 PM in ECC 30 there will be a joint meeting between the Academic Senate, Student Senate, and Board of Trustees. In Kathy O'Connor's Curriculum and Instructional Policies Liaison Report she spoke about the lack of faculty training and mentoring which was cut a few years back due to budget cuts. They want to reinstate funding for this as it is critical to keep faculty up to date and also mentor new faculty/adjunct faculty so students can receive the best education possible. In Kenley Neufeld's Planning and Resources Liaison Report he mentioned that the school will be spending roughly $90,000 on replacing broken and worn out chairs all across campus. In her IA Liaison Report, Cornelia Alsheimer-Barthel said that there will be a plenary discussion on March 8th where the faculty will discuss issues for the upcoming negotiations with the Administration. This discussion is public but she did not specify where and what time it will take place. Lastly, in Dr. Friedlander's EVP Report, the college is currently hiring a new full-time curriculum coordinator. Also, there will be a lecture on April 12th from 7:30-9:00 PM in the Garvin Theatre with a well respected economist.

The Senate voted on FW grading and they approved it so it will go into effect this summer. Dr. Friedlander then brought up his recommendation that the college allow four new temporary one year contracts for four departments: English Skills, English, Math, and Counseling. This is due to the difficulty in hiring qualified full time faculty and it will cost around $40,000-50,000 per temporary hire.

Dr. Friedlander then proposed on discussion item 6.2 a modification to the academic calendar so that starting in the summer of 2014 there would be two six-week long summer school sessions instead of the current one six-week long session. The first session would go from May 27-July 5 and the second session would go from July 7-August 16. This would result in the winter break getting reduced from 6 weeks to 5 weeks, thus starting the spring semester a week earlier on January 21st instead of January 27th. This proposal would help students complete their graduation and transfer requirements more quickly and would also make summer school a more flexible option for those who are interested in taking it. Due to the first session starting only a week after the spring semester ends, more students who live far away from Santa Barbara (out-of-state students, international students, and those who live in Northern or Southern CA) could take summer school and then still have almost two months off to go back home.
