   5.7 Eve Charbonneau – Public Relations – No report
   5.8 Dr. Ben Partee / Amy Collins– Advisor – Merchants Bazaar made $1600, McKinley School lunch is 4/12, Election Committee needs volunteers
6. **General Assembly Reports** – President Limon reported that she was disappointed with the organization and options for the breakout sessions at General Assembly. She did however enjoy a breakout session on motivation. VP Englert’s Report: On the dates of March 31st – April 3rd, I attended a statewide conference in Sacramento, as you all already know. During this conference, I attended a various amount of different breakout sessions, along with attending a region six meeting and placing votes for Santa Barbara City College.

I attended a total of four break-out sessions, on Saturday and Sunday of the conference and they were called: Delegate training, Veteran Benefits, Student Trustee Roles and Responsibilities, and lastly Social Networking.

During the delegate training, they went over rules and procedures of how and what the delegates have to do in order to properly vote for their school and how to properly go through the process of signing off on another person’s resolution. During Veteran Benefits, the crowd was informed on all of the current benefits that soldiers and Vet have and can apply for. This was a short meeting and consisted mainly of Q and A.

During the student trustees meeting, we were taught about all of the procedures a student trustee must go through and perform in order to be properly doing their job.

We also learned about rules and regulations that pertained to the Associated Senate. Lastly, is social networking – and there’s not a whole lot to say about this one. All three of the speakers were unable to make it, and the presenter was also not able to connect his laptop to the overhead projector so we didn’t even have a power point. This presentation consisted of a guided conversation, followed by Question and Answers.

Overall, I had a fantastic time at the General Assembly in Sacramento California. I learned a lot about our region and I met a lot of other important and friendly people that I am sure I will be doing business with in the future. I am thankful that we were able to go on this trip.

7. **Information Item - None**

8. **Campus Committee Reports** – **President Limon’s CPC Report**: CPC discussed a plan of three scenarios for ongoing expenditure reductions starting in 2011-2012 through ’13-’14 to match cuts in revenue of the 10.5 million worst case predicted. Scenario one is based on a full reduction in revenue $10.5 million through cutting only CA resident credit FTES. The second scenario focuses on a reduction in revenue through cutting 9 million in revenue from credit FTES and $1.5 million from Non-credit non-enhanced. The 3rd scenario would be a reduction in revenue through cutting $9 million in revenue from credit FTES and $1.5 million from non-credit non-enhanced and enhanced non-credit FTES. For a better understanding, President Serban or VP. Joe Sullivan will be presenting on Friday April 15th. A vote on what approach to consider when budgeting for 4000 and 5000 accounts will be taken at the next CPC meeting.

9. **Announcements** – Club of the Year applications are now available. Honors conference will be 4/24.

11. **Adjourn** – Meeting was adjourned at 12:05pm M/S/C Ola Smith/JJ Englert
