Officer Reports

Atty Garfinkel: Faculty Lecture Thursday at 2:30
-If teachers don’t drop students by the March 26th deadline it hurts those students financial aid.
-The Library wants to be closed on Saturday during the summer and supplement the hours with an additional evening for students accessibility.
-COL talked about the differences of inactive students in an online class vs. an in person class. They would like clearer definitions.
-The bookstore update is that teachers will now be ordering their books online rather than with paper forms. We as a senate still need to be pushing the “Commit to 4” program to get more teachers to put their books in the rental program.
-A new law requires the cost of textbooks to be on the schedule. The logistics of that are still being reviewed
-The 4-day weekend for the academic calendar was approved in Academic Senate with some opposition.
-Much of the repair and replacement ranking was discussed and the HVAC system will soon be replaced to keep the cadavers nice and cool.
Ranking repairs are equal to $379k. The motion passed.
CTL talked about restoring reader funds. A proposal will now go to CPC.
Due to a lack of time all agenda items from 3.5 to 4.5 were tabled until the next meeting.

Nicole Ridgell: Meeting of the Board of Trustees 3/11/10 Study Session

Accelerated Programs
Accelerated programs in math and English were discussed. Students take these courses in a nurturing environment and are also provided with study skills that will allow them to move forward, and because the courses are combined courses they do not have to spend years and years getting through math and English requirements.

Clickers
A presentation on clickers being used in the classroom was given to the board. Clickers being implemented in the classroom increases student involvement and it is also a way to not only keep students engaged but help students and professors to be aware of the progress that is being made by each individual in the class.

Board Policies
The board reviewed policies, specifically BP 4500.

Accreditation
The board discussed SBCC’s extremely successful reaffirmation and viewed all actions taken by the Accrediting Commission and Junior Colleges at its January meeting.

Immediate Employment Programs
Dr. Jack Friedlander gave a presentation regarding the programs that the college has that are geared towards providing individuals with necessary skills for immediate employment. He also spoke of the success that these students are having with finding work.
