---

**Cassandra Siegel**

ASG Commissioner of Clubs

Officer Report: ICC Meeting - Only 12 clubs came this meeting but we had two guest speakers; Ola with Hands Across California, and Paige the Librarian promoting clubs meeting in the Library. I also brought up clubs not filling out Club Grant Forms correctly and asked that they have me look over them before they turn them in.

Campus Committee Report: DTC - They will be updating the Banner from 8.2 to 8.4 over the summer. There has been a lot of trouble with people hacking into others pipeline accounts and messing with the persons classes or other account information. They are going to attempt to fix this but making the pipeline password 8 characters instead of 6. Also the password will have to have numbers and letters in it. Jim Clark brought in one of the occupation sensor power strips and said that there are 2600 available to any department that wants them. They are still working on changing the pipeline splash page so now it will say something about torrenting.
