Things You Should Know

• You may only apply for one TAG to a UC campus, thus you should select your preferred campus wisely.

• You must apply to the TAG UC campus during the month of November. Your TAG major needs to be the same on the UC Application.

• If certain UC conditions are not met, submission of the TAG will not guarantee admission.

• During the UC application period, there is no limitation on the number of UC’s that you can select. Your application will be reviewed through the regular admissions process.

• Academic Renewal (AR) & Pass/no Pass Units @ the UC

• Liberal Arts & Science degrees @ SBCC

• Associate Degree for Transfers (ADT) – CSU system

• CCC Winter Intersession List or Study Abroad in Havana, Cuba
TAG Criteria

• A minimum of 30 UC transferable semester units must be completed at the time of TAG submission.
• You must have 60 UC transferable semester units by Spring 2016.

Common to UCSB

• AP/IB classes cannot be used toward the initial 30 units needed by September 30\textsuperscript{th} or the 60 units needed by the end of spring 2016 term TAG submission

• No more than 18 units can be taken in spring 2016 (You may want to consider taking a winter intersession course)

• No substandard grades earned spring 2016, as this may cause your offer of admission at all universities—not just UCSB—to be rescinded

• If applying to the Biological Sciences, Economics, or Engineering majors, in addition to your preferred major, you may want to select an alternate major on the UC application. All three majors require a pre-major GPA and course work.

Please note: The Engineering TAG at UCSB suspended until further notice
Most Common Mistakes

• Course Reporting – **ALL COURSES FROM ALL COLLEGES** must be entered:
  - Non-Transferrable, i.e. Math 107, English 100, etc.*
  - Repeated Courses, Withdrawals-W, Academic Renewal-AR
  - Credit/No Credit or Pass/No Pass (C/NC or P/NP)
  - Does not have 60 units by the end of spring 2016
  - Course Limitations, i.e. PE Units – See Assist.org
  - CRS# = subject code; not the **SBCC** CRN (5 digit number)
  - Major requirements, not fulfilled; marginal GPA
  - GAP in Education

• Underprepared to list spring 2016 projected courses on TAG

• Not submitting a UC application during the application period (November 1 – November 30, 2015)

• UC Davis Only – Full time enrollment at a CCC from spring term 2015 through spring term 2016 is expected
  (Part-time enrollment is permissible for good cause. Provide a brief explanation regarding P-T attendance on the UC TAG Application)

*Please Note: Non-transferable courses will not be listed in the academic coursework area scroll down menu; you will need to add the class by scrolling to the bottom of the page
