What is a Transfer Admission Guarantee (TAG)?
Guaranteed Admission is more commonly referred to as a Transfer Admission Guarantee (TAG) program. A TAG is a contractual agreement between you, SBCC, and a four-year college or university. Students who meet and maintain stated admission and major requirements are guaranteed admission to a specific four-year college or university. Seven UC campuses offer guaranteed admission to California community college students who meet specific requirements. By participating in a Transfer Admission Guarantee (TAG) program, you can ensure your admission to a specific campus, which offer an early review of your academic record, early admission notification, and specific guidance on major preparation and general education coursework. The 2013-14 TAG matrix provides a list of participating campuses, eligibility criteria, and campus-specific notes. The TAG submission cycle for fall 2013 admissions is from September 1, 2012—September 30, 2012.

What are the benefits of submitting a TAG?
A TAG has many benefits. Meeting the conditions of the TAG will GUARANTEE an enrollment slot for the TAG admission cycle. The TAG provides prospective students with a specific plan of action to ensure they satisfy the admissions requirements. The TAG provides the participating universities with the student's contact information and as a result, the student will have direct access to university representatives and current information pertaining to their admissions or changes they should know about. Other benefits vary, please check with specific school.

Who is eligible to submit a TAG?
Criteria varies by four-year college or university, but in all cases a UC TAG is available only to students transferring directly from a California Community College are considered for a TAG, including international students (those with a visa). The University of California defines a CCC transfer student as one who has completed over half of their units at a CCC. All UC TAG campuses require students to meet this definition.
♦ Students who have already earned a bachelor’s degree, graduate degree, and/or professional degree cannot participate in TAG.
♦ Students who have previously enrolled at a UC campus during a regular term (not including summer session) cannot submit a TAG application to return to that campus.

What is the process of submitting a TAG?
You may attend a TAG workshop, view the TAG tutorial, and/or submit the TAG directly without our assistance. On any account, please follow the steps on the first page.

May I submit more than one TAG?
Effective fall 2012 UC admission cycle and beyond, students can only submit one UC TAG. If applicable, students applying to a CSU and/or independent/private institution can submit a TAG for that system. It is imperative that a TAG be submitted to the UC by September 30, 2012 in order to be considered for 2013 Guaranteed Admission at one of the seven UC's. In addition to submitting a TAG by September 30th all students must submit a UC Admissions Application. The CSU's and private/independent institutions have varying TAG deadlines. Please review the individual school information as listed above and/or meet with a counselor for additional information.

What if I change my mind and decide to transfer to a different school?
TAG schools and SBCC understand that goals change. Students who submit a TAG are not obligated to transfer to the four-year college or university. If you are accepted for admission with a TAG University and decide not to attend, please notify your counselor at SBCC to formally cancel your TAG.
