Things to Do Before You Start the Application

♦ **Obtain copies of all your college transcripts and AP or IB Exam results.**
  - In the UC application you are required to enter all college courses that you have taken. Don’t enter classes and grades from memory. Misrepresenting your academic record can jeopardize your admissions.
  - If you have only attended SBCC you can obtain your unofficial transcript from Pipeline. Select “Student Records link” and then click on “Academic Transcript.”

♦ **Identify the courses you will be enrolled in for Spring 2012 and Summer 2012** (if applicable).
  - UC admissions is very competitive, therefore make sure you have completed the courses required for your major.
    - If you are not sure about what courses you need, meet with a SBCC counselor in the Academic Counseling Center (SS120) or in the Transfer Center (SS 140).

♦ **Additional Information you will need.**
  - **Activities and awards** – Prepare concise descriptions of your most significant awards and activities and the length of time involved
  - **Annual Income** (optional) – If your parent’s claim you as a dependent on their tax return, you’ll need to know their annual income (pre-tax) for 2004 and 2005. Refer to tax records or pay stubs.
  - **Parent’s residency** (optional) – Know the date they moved to the state where they legally reside.
  - **Social Security Number** (If you have one.) – Otherwise leave blank.
  - **Citizenship Status** – If you’re not a U.S. citizen, know your immigration status and the type of visa you hold (such as F1).
  - **Credit Card information** – If you are going to pay by credit card; know the account number, expiration date, cardholder’s name and billing address.

♦ **Apply broadly.** Students who apply to several campuses are more likely to be admitted to a campus they know they want to attend. Do not limit yourself to only one option.

♦ **Don’t send transcripts until they are requested.**

♦ **You can apply to all 9 UC campuses by completing only 1 application.**

Starting the Application
♦ Go to www.universityofcalifornia.edu/apply and click on the “Start Your Application” link located on the top right of the web page. Then create your username, password and pick an email address.

Tip for Entering Courses Correctly
♦ The application will ask you to list all the courses that appear on your transcript. For courses that do not appear on the list, you will need to click on the “I don’t see all of my courses” at the bottom of the page and then type in the information. You will need to enter the department, course number, title of the course, and the number of units, and your grade (this includes W, and NP) For example, if you are currently enrolled in English 110:
   ◊ Department = ENGL; Course number = 110; Title = Composition and Reading; Units = 3
   
Do not confuse the 5 digit CRN# found on your unofficial transcript with the course number.
