Should I fill out an optional athletic supplement?

If you anticipate participating in varsity athletics, print and complete the Athletic Supplement. List any team sports played in order of their importance to you. Check year(s) of participation; indicate letters earned and leadership positions. Include the name of your coach(es). Increasingly, colleges are asking that you do this online. Check specific college information in the Requirements Grid or on the college’s own website to ensure a member institution uses this form.
