I and II: Coursework with a Grade of C or Better and General Education (GE) or IGETC Certification.

All listed courses are important in applying to this major and maximize (but not guarantee) your chance of selection. It is your responsibility to have these courses if you want to be competitive in the admission selection process. Note: English, speech, critical thinking, math for major and bolded course(s) are mandatory. You will not be competitive in the selection process without them!

Out-of-state and four year transfers may have to compare their catalog course descriptions with Cal Poly's catalog to identify the equivalent course content for these courses. Cal Poly is unable to evaluate transcripts prior to selection.
