Dear Scholarship Applicant:

Welcome to the scholarship application process at Santa Barbara City College. I am pleased you are taking interest in our scholarship process; it may assist you financially as you pursue your college education at SBCC. These scholarship opportunities are made available to you through the Foundation for Santa Barbara City College by hundreds of generous donors. I hope you will use this publication, Scholarship Opportunities at Santa Barbara City College, as an aid to familiarize yourself with the many scholarships available to SBCC students for the 2016-2017 academic year prior to applying.

As you review the booklet you will see there are numerous general scholarships as well as cross discipline, department- and program-specific scholarships. I ask that you review the qualifications for each scholarship carefully and apply for all for which you qualify. Each of these scholarships, whether provided by an individual or corporate gift, expresses the donor’s sincere interest in assisting you in achieving your personal, educational and vocational goals.

Privately funded scholarships are only one form of many financial aid opportunities available to students. If you would like to be considered for other types of financial aid, please contact the SBCC Financial Aid Office at (805) 730-5157 or visit our website at www.sbcc.edu/financialaid for additional information.

Whether you are a continuing, new, transferring or re-entry student, I hope your experience at SBCC will be a rewarding one and will positively contribute to your educational and career goals. On behalf of our donors, the Foundation for Santa Barbara City College, and the Financial Aid Office, I wish you both academic and personal success in the achievement of your educational objectives.

Sincerely,

Barbara Bermudes
Interim Financial Aid Director
Santa Barbara City College

P.S. The Scholarship Opportunities at Santa Barbara City College booklet can be found on the Santa Barbara City College web page at http://www.sbcc.edu/scholarships.
Scholarships and Financial Aid

Santa Barbara City College offers a great variety of scholarships to its students. Some require the satisfactory completion of a minimum number of units of course work at SBCC, while others are open to recent high school graduates and other students attending SBCC for the first time in the fall 2016 semester. Please read the eligibility and criteria requirements of each scholarship carefully!

Scholarships are awarded based upon academic achievement and/or financial need. Criteria vary from scholarship to scholarship. Gifts and endowments from community organizations, private individuals, corporations, as well as foundations fund SBCC scholarships. They are administered by the Foundation for SBCC, a nonprofit organization associated with the college that raises and manages private funds which benefit SBCC students.

Privately funded scholarships are only one form of financial aid available to students. To be considered for other types of financial aid (federal or State grants, federally insured student loans, and/or work study grants), students should complete a separate application with the Financial Aid Office, located on the 2nd floor of the Student Services Building in Room SS210.

The Application Process

Scholarship information and application assistance is available in the Financial Aid Office, beginning Monday, January 4, 2016. The office is open Monday and Thursday 8:00 a.m. to 4:30 p.m., Tuesday and Wednesday 8:00 a.m. to 6:00 p.m. and Friday 8:00 a.m. to 1:00 p.m. Online application information is found on the SBCC Scholarships webpage (http://www.sbcc.edu/scholarships) beginning January 4, 2016. For additional information, please contact Ivena Sakelarieva, Scholarship Coordinator, at (805) 965-0581, ext. 4217.

All 2016 high school graduates and other first year students attending SBCC for the first time in the fall 2016 semester are eligible and encouraged to apply for scholarships described in this booklet and indicated by an asterisk (*) following the title. New students need to enroll in SBCC prior to applying to obtain their Pipeline login information. Students leaving SBCC and transferring to four-year institutions or to advanced vocational schools in fall 2016 are encouraged to apply for scholarships indicated by a plus (+).

The date and location of the Annual Scholarship Reception honoring all scholarship recipients and donors will be announced at a later date.

If awarded a scholarship, your presence is requested at the reception.

APPLICATION DEADLINE

Unless otherwise specified, all completed applications including supporting documentation must be submitted electronically with your scholarship application by:

Wednesday, March 2, 2016, Midnight PST

Late applications will not be accepted.
Scholarship Application Procedure

**Eligibility Requirements:** Students will be screened for scholarship eligibility based on criteria established for each individual scholarship.

**Confidentiality:** Information supplied on all scholarship applications is understood to be confidential. The applicant agrees that the College may reveal or forward the contents of scholarship applications to SBCC faculty, selection committees, and/or funding sources.

**Application Materials Checklist:** The following supporting materials must accompany each scholarship application unless otherwise stated in the scholarship description:

- **Complete Scholarship Application Information**—Available online at [http://www.sbcc.edu/scholarships](http://www.sbcc.edu/scholarships) (SBCC Scholarship Website)
- **For SBCC students**—Current SBCC students must submit a transcript as part of the student’s application. The transcript will be automatically linked to your application via Pipeline.
- **For incoming transfer students**—College transcripts through fall 2015 are required (unofficial transcripts are acceptable) and must be uploaded with your scholarship application.
- **For high school students**—High school transcripts through the first semester of one’s senior year are required (unofficial transcripts are acceptable) and must be uploaded with your scholarship application.

Please check with appropriate departments for possible additional requirements for department-specific scholarships. Incomplete applications will not be considered.

**Deadlines:** Unless otherwise noted in the scholarship description, the deadline for submitting applications is **Wednesday, March 2, 2016, at Midnight PST.** Applications must be submitted online.

**Scholarship Selection Committee:** Scholarship recipients are screened and chosen by selection committees comprised of faculty, staff, and, on occasion, interested community members.

**Payment Process:** Unless otherwise noted, scholarship awards are disbursed in two equal payments, at the outset of the fall 2016 and spring 2017 semesters. Students must meet minimum unit requirements of individual scholarships. **A Thank You note or letter to each donor is encouraged before checks will be disbursed.** Upon notification of scholarship awards, recipients will receive detailed disbursement instructions.

As noted above, awards to transferring students are available to students transferring to four-year colleges or universities or advanced vocational schools. They are not available for students transferring to other community colleges. Award payment will be sent in a lump sum to the Financial Aid Office of the transfer institution when the SBCC Financial Aid Office receives written verification of enrollment.

The Foundation for SBCC, through the generosity of many donors, including Michael Towbes and the Towbes Foundation, administers a donor-supported internship program. Each year the internship program provides up to 60 semester-long internships at $2,500 each to eligible students. To be considered for an internship, a student should be majoring in an area related to their internship project. He or she must have completed 12 units at SBCC and be currently enrolled in a minimum of 6 units. The department chair, or a designee of the chair, may personally select the intern without a competitive process. If you are interested in learning more about this opportunity, please contact your department or program chair. Prior to initiating the process, the Department Chair and the prospective intern agree on a project related to the student’s academic major or professional goals. When the project is complete, the intern is required to submit a detailed report on the project and its outcome to the Foundation for SBCC, along with a letter of thanks that can be forwarded to the donor.

Please note: Departments internship assignments are made during the summer of each year by Marilynn Spaventa, Executive Vice President of Educational Programs.
