APPLICATION PROCESS

Application forms are found under the Forms section of this website.

Applications to the Associate Degree Nursing Program are accepted during specified periods only. The acceptance periods are listed on this website.

Applications may be brought in person to the Health Technologies Office; room A218 located in the Administration Building, OR mailed to:

School of Nursing
Santa Barbara City College
721 Cliff Drive
Santa Barbara, CA  93109

The following must be included:

- The Nursing Program Application
- The Nursing Program Checklist
- The supporting documentation for the criteria/criterion the student qualifies for
- ALL Official (sealed) transcripts from all colleges attended other than Santa Barbara City College (SBCC transcripts will be obtained internally after application is received)
- Official (sealed) high school transcripts (waived if college transcripts post an Associate or Bachelor degree)
- Course descriptions if coursework was taken at a college outside of the California Community College district
  Please print the actual page from the college catalog of the semester and year the course was taken

Student must have a valid pipeline.sbcc.edu email address for communication purposes

Please allow up to six weeks for your application to be reviewed, evaluated, and processed.

You will receive an emailed response when the review and evaluation is completed. This response will be sent to the applicant’s pipeline.sbcc.edu email address. This email address is assigned to student upon application to the college.

What Happens Next:

Qualified applicants will be invited to take the TEAS V at Santa Barbara City College. This notification will be sent to the pipeline.sbcc.edu email address.

If the TEAS V test has already been taken, please request that Assessment Technologies Institute (ATI) submit the results from the first test taken to SBCC.

Selected applicants will be notified of their acceptance and invited to an orientation meeting. This notification will be sent to the pipeline.sbcc.edu email address.

Application evaluation results from students who are not selected for the specified entry cohort will be retained for a period of two years. During each subsequent application period, the applicant must submit to the Health Technologies Office a signed Intent to Remain in Selection Pool form and any additional supporting documentation in order to be considered for acceptance to the next entry cohort.
