TUBERCULOSIS TESTING / SCREENING POLICY

*If you are a currently enrolled* student at SBCC, TB skin testing is offered for $5.00 at the Santa Barbara City College Student Health Services, by appointment. Please call ahead (805) 965-0581 ext 2298. You must be a current SBCC student.

- Student Health Services is open only during school semesters.
- Student Health Services is located in the Student Services Building – on the first floor – room SS170.
- Bring your student ID with you.

Remember that you must return in 48 – 72 hours to have your test read – schedule your appointment accordingly.

If the TB skin test is *positive*, a chest x-ray is *required*, and documented as “negative” for active disease.
