**student support services**

**Academic Counseling**
The Counseling Center provides comprehensive services for goal setting and decision making in the planning of students’ academic and career paths.

**Schall Career Center**
Students clarify their interests, select a major, find a job and get information on careers. The Schall Career Center offers career-planning courses, job-seeking skills and drop-in counseling.

**Disabled Student Programs & Services**
DSPS provides educational support services to students with disabilities, including disability related counseling, test accommodations, auxiliary aides, alternate media, adaptive equipment and assistive technologies.

**EOPS/CARE**
EOPS/CARE is a state-funded comprehensive support system for qualified low-income, full-time students. Services include admission assistance, career planning, career exploration, academic and personal counseling, peer advising, internships, one-on-one tutorials, job placement and a summer readiness program for first-time students. Child care and support services are provided for eligible single parents.

**Financial Aid**
Federal, state and local financial aid resources are available to help students meet the costs of attending college. All students must complete the Free Application for Federal Student Aid (FAFSA) to determine eligibility. The Foundation for SBCC offers generous scholarship assistance to new, continuing and transferring students.
admission

How & When to Apply
Graduates of high schools, or equivalent—as well as persons 18 years of age or older who have not received a high school diploma—are eligible for admission.

Apply online, in person, or by mail. SBCC accepts applications throughout the year; online applications are limited to specific enrollment periods. Applications for Fall will be processed in March; Spring applications in October; and Summer Session applications in March.

academics

Santa Barbara City College’s mission is to provide superior quality instruction in all programs, and to maintain an environment that emphasizes teaching and learning and encourages the free discussion of ideas. The college’s outstanding faculty is committed to master teaching in small classes where students have direct, one-on-one access to their professors throughout the year.

The college offers transfer programs, which provide the first two years of study toward the baccalaureate degree, and associate degree and certificate programs in a wide range of occupational fields. A variety of general educational opportunities is available for those wishing to develop new or expanded career skills, or enhance their cultural awareness or artistic talents.

Begin a Bachelor’s Degree
City College is recognized as a national leader in transferring well-prepared students to the University of California, California State University, in-state independent colleges, and out-of-state four-year colleges and universities. Our widely accepted transfer curriculum, guaranteed transfer agreements and innovative Transfer Center services prepare students for a smooth transition to the university of their choice. An agreement with the University of California at Santa Barbara guarantees admission to those students who satisfy conditions of the agreement.

Prepare for a Career
With access to some of the most advanced and best-equipped occupational/technological and business programs in California, SBCC students develop a competitive edge for today’s – and tomorrow’s – job market. A wide array of certificate and degree programs prepares students for immediate entry into a high-demand career field.

campus tours

Tours of the college’s scenic campus are offered each Friday at 1:00 pm, or call to schedule a tour at a more convenient time. In the summer, tours are also offered on Saturday at 1:00 pm.
special programs

**Honors Program**
The Honors Program is a rigorous series of stimulating academic courses taught by some of the most outstanding SBCC professors. Honors courses meet general education requirements and provide excellent preparation for success in upper division courses after transfer.

**Phi Theta Kappa**
The International Honor Society of the Two-Year College recognizes superior scholarship and provides opportunities in the areas of scholarship, leadership, service and fellowship. Transfer scholarships exclusively for society members are offered by more than 330 four-year colleges and universities.

**Study Abroad**
Spend one SBCC semester or summer session living and studying in a foreign country. Earn academic credit and experience firsthand the culture of Spain, France, China and Vietnam, Chile and Argentina, Italy, England, Costa Rica, Thailand or Australia.

**Online College**
Online courses are an excellent opportunity for busy students to pursue their educational goals at times and locations convenient to them. [http://online.sbcc.edu](http://online.sbcc.edu)

**Health Services & Wellness Program**
Registered nurses and physicians offer first aid and illness assessment. Personal and mental health counseling is available, as well as an active wellness program to assist students in choosing healthy lifestyle options.

**Transfer Center**
Counselors and advisors assist students with course planning for transfer, and campus representatives from four-year colleges visit often to meet with potential transfer students. An extensive resource library helps students identify the ideal transfer institution.

**The Santa Barbara City College Transfer Academy**
The Transfer Academy guides students through the process and courses needed to qualify for transfer admission guarantee (TAG) programs offered by the following universities:

- **UC**: Santa Barbara, Davis, Irvine, Merced, Santa Cruz, San Diego and receive priority consideration in admission to UCLA
- **CSU**: Channel Islands, Northridge
- **Private**: Antioch University

Our agreement with these campuses guarantees your admission to the university and potentially to the major of your choice. The guarantee applies to students who complete 80 transferable units and specified subject and/or course requirements, and achieve a minimum specified UC transfer grade point average.
student life

Housing
The Office of Student Life maintains a listing of local property managers, a website for rental/roommate referrals, and limited opportunities for private residence hall housing.

Student Government
Participate in college governance through involvement in the Associated Student Body. The Student Senate plays an important role in the decision-making process at the college, while providing an array of services and activities that enhances the total student experience.

Clubs
A wide variety of student clubs and organizations provides an opportunity to be involved with peers in activities that enhance an academic major and/or special interests.

Athletics
A member of the Western State Conference, City College offers intercollegiate athletic competition for men in baseball, basketball, cross-country, football, golf, soccer, tennis, track and field and volleyball. Intercollegiate athletic competition for women is offered in basketball, cross-country, golf, soccer, softball, tennis, track and field and volleyball.

Pipeline
An easy-to-use web portal that provides access to online registration, campus debit card, grades and file storage. The customizable interface also provides access to a free email account, contact with your instructors and classmates, chat rooms, calendars, bulletin boards, course information, student services and campus events.

Music & Drama
Opportunities abound to participate in performance activities in theatre and music. The SBCC Theatre Group has a full season of performances, utilizing students in all areas of production; costuming, makeup, stagecraft and acting. Concert productions include choir and chamber singers, jazz, symphony, concert band, and electronic and commercial music.

Campus Safety & Transportation
Campus Security officers patrol 24/7, and provide escort service and tram transportation as needed. The campus has proven to be extremely safe, with little reported crime.

Students may purchase permits for on-campus parking. Student fees include a photo I.D./bus pass, valid for unlimited use of local MTD buses throughout each semester.
