Introduction
The District encourages members of the District community to report sexual harassment. This procedure only applies to conduct defined as sexual harassment under Title IX and applicable federal regulations and that meets Title IX jurisdictional requirements. The District shall respond to sexual harassment and sexual misconduct that falls outside that definition and outside the jurisdiction of the Title IX federal regulations using California law and applicable District policies and procedures. In implementing these procedures discussed below, the District shall also provide supportive measures, training, and resources in compliance with California law, unless they are preempted by the Title IX regulations.

Title IX Coordinator
Questions concerning Title IX may be referred to the District Title IX Coordinator whose contact information is below.

   The District’s Title IX Coordinator is Linda Esparza Dozer and the Title IX Coordinator’s contact information is:

   Santa Barbara City College
   721 Cliff Drive
   Santa Barbara, CA 93109
   Administration Building Room A121
   Phone number: 805-730-4303
   Email: lmesparza@pipeline.sbcc.edu

The Title IX Coordinator is required to respond to reports of sexual harassment or misconduct. The Title IX Coordinator shall handle information received with the utmost discretion and shall share information with others on a need-to-know basis. For example, the Title IX Coordinator may need to address public safety concerns on campus, comply with state and federal legal requirements, or share information to implement supportive measures.

A report of sexual harassment to the Title IX Coordinator does not necessarily lead to a full investigation, as discussed more fully below. However, the Title IX Coordinator shall
Title IX Harassment Complaints, Investigations, and Hearings
These Title IX sexual harassment procedures and the related policy protect students, employees, applicants for employment, and applicants for admission.

The investigation and adjudication of alleged sexual harassment under this procedure is not an adversarial process between the Complainant, the Respondent, and the witnesses, but rather a process for the District to comply with its obligations under existing law. The Complainant does not have the burden to prove, nor does the Respondent have the burden to disprove, the underlying allegation or allegations of misconduct.

Jurisdictional Requirements – Application of Procedures
These procedures apply if the conduct meets the following three jurisdictional requirements:

- The conduct took place in the United States;
- The conduct took place in a District “education program or activity.” This includes locations, events, or circumstances over which the District exercised substantial control over both the Respondent and the context in which the harassment occurred, including on-campus and off-campus property and buildings the District owns or controls or student organizations officially recognized by the District; and
- The conduct meets the definition of Title IX “sexual harassment.”

Definitions
Advisor: Throughout the grievance process, both the Complainant and Respondent have a right to an Advisor of their choice. If a Party does not have an Advisor at the time of the hearing, the District must provide the Party an Advisor of the District’s choice, free of charge. Both Parties’ Advisors shall be provided with a copy of the Title IX Investigation Report at the same time copies are provided to the Parties. When an Advisor is appointed, the Party may confer with that appointed Advisor upon receipt of the investigation report and throughout the hearing. An Advisor shall be present during the entire hearing. The District may establish restrictions regarding the extent to which the Advisor may participate in the proceedings as long as the restrictions apply equally to both Parties.
Parties have the right to consult with an attorney, at his/her/their own expense, at any stage of the Complaint process if he/she/they wishes to do so. An attorney may serve as an advisor.

**Complainant:** Complainants are individuals who allege they are the victim of conduct that could constitute sexual harassment.

**Consent:** Consent means affirmative, conscious, and voluntary agreement to engage in sexual activity. Both Parties must give affirmative consent to sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that they have the affirmative consent of the other or others to engage in the sexual activity. Lack of protest, lack of resistance, or silence does not indicate consent. Affirmative consent must be ongoing throughout a sexual activity and one can revoke their consent at any time.

The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, is not an indicator of consent.

Consent may be communicated verbally or nonverbally. However, the Respondent’s belief that the Complainant consented shall not provide a valid defense unless the belief was actual and reasonable, based on the facts and circumstances the Respondent knew, or reasonably should have known, at the time of the incident. A Respondent’s belief is not a valid defense where:

- The Respondent’s belief arose from the Respondent’s own intoxication or recklessness;
- The Respondent did not take reasonable steps to ascertain whether the Complainant affirmatively consented; or
- The Respondent knew or a reasonable person should have known that the Complainant was unable to consent because the Complainant was incapacitated, in that the Complainant was:
  - asleep or unconscious;
  - unable to understand the fact, nature, or extent of the sexual activity due to the influence of drugs, alcohol, or medication; or
  - unable to communicate due to a mental or physical condition.

**Decision-Maker:** The person who shall oversee the live hearing and make a determination of responsibility. The District shall have one Decision-Maker determine
whether the Respondent is responsible, and a different Decision-Maker determine the appropriate level of penalty for the conduct. The Decision-Makers cannot include the Title IX Coordinator or the investigator.

**Formal Complaint:** A written complaint signed by the Complainant or Title IX Coordinator, alleging sexual harassment and requesting an investigation. If the Title IX Coordinator signs the formal complaint, they shall not become a party to the complaint.

**Parties:** As used in this procedure, this means the Complainant and Respondent.

**Respondent:** A Respondent is an individual reported to be the perpetrator of conduct that could constitute sexual harassment.

**Sexual Harassment under Title IX:** Conduct that satisfies one or more of the following:

- A District employee conditions the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct (*quid pro quo* harassment);
- Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District’s education program or activity;
- Sexual assault, including the following:
  - **Sex Offenses.** Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.
  - **Rape** (except Statutory Rape). The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent or because of their temporary or permanent mental or physical incapacity. There is carnal knowledge if there is the slightest penetration of the genital or anal opening of the body of another person.
  - **Sexual Assault with an Object.** To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of their age or because of their temporary or permanent mental or physical incapacity. An "object" or "instrument" is anything the offender uses other than the offender's genitalia, e.g., a finger, bottle, handgun, stick.
  - **Fondling.** The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is
incapable of giving consent because of their age or because of their temporary or permanent mental or physical incapacity.

- **Sex Offenses, Non-Forcible Unlawful, Non-Forcible Sexual Intercourse.**
  - **Incest** Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
  - **Statutory Rape** Non-Forcible. Sexual intercourse with a person who is under the statutory age of consent. There is no force or coercion used in Statutory Rape; the act is not an attack.

- **Dating violence.** Violence against a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of a relationship shall be determined based on a consideration of the following factors: the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

- **Domestic Violence.** Violence committed:
  - By a current or former spouse or intimate partner of the victim;
  - By a person with whom the victim shares a child in common;
  - By a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner;
  - By a person similarly situated to a spouse of the victim under the domestic or family violence laws of California; or
  - By any other person against an adult or youth victim protected from that person’s acts under the domestic or family violence laws of California.

- **Stalking.** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of others or suffer substantial emotional distress.

**Reporting Options**
Any individual may report sexual harassment to the District’s Title IX Coordinator or the Deputy Title IX Coordinator.

The District strongly encourages prompt reporting of sexual harassment. Prompt reporting allows for the collection and preservation of evidence, including physical
evidence, digital media, and witness statements. A delay may limit the District’s ability to effectively investigate and respond.

Because individuals may be deterred from reporting incidents of sexual harassment if alcohol, drugs, or other violations of District or campus rules were involved, the District shall inform individuals that the primary concern is for student and employee safety and that use of alcohol or drugs never makes a Complainant at fault for sexual harassment.

An individual who participates as a Complainant or witness in an investigation of sexual assault, domestic violence, dating violence, or stalking will not be subject to disciplinary sanctions for a violation of the District’s student conduct policy at or near the time of the incident, unless the District determines that the violation was egregious, including, but not limited to, an action that places the health or safety of any other person at risk or involves plagiarism, cheating, or academic dishonesty.

Individuals have the opportunity to decide whether they want to pursue a formal Title IX complaint. Reporting sexual harassment to the Title IX Coordinator does not automatically initiate an investigation under these procedures. A report allows the District to provide a wide variety of support and resources to impacted individuals and to prevent the recurrence of the conduct. A Complainant or the Title IX Coordinator filing a formal complaint shall initiate an investigation.

If there are parallel criminal and Title IX investigations, the District shall cooperate with the external law enforcement agency and shall coordinate to ensure that the Title IX process does not hinder legal process or proceedings.

The District shall document reports of sexual harassment in compliance with the Clery Act, a federal law requiring data collection of crime within the campus geography. Under the Clery Act, the District does not document personal information; the District reports the type of conduct, and the time, date, and location. (Also see BP/AP 3540 Sexual and Other Assaults on Campus.

District Employees and Officials with Authority
District Officials with Authority are not confidential resources and are required to report allegations of sexual harassment to the Title IX Coordinator promptly. All other employees are encouraged to report allegations to the Title IX Coordinator but are not required to do so.

The District has designated the following employees as Officials with Authority:
ALL college employees are Officials with Authority when the complaint involves any student. Student employees are considered Officials with Authority while functioning in their role as employees.

Supervisors and managers are Officials with Authority when the complaint involves employees or students.

Officials with Authority are required to report all relevant information they know about sexual harassment including the name of the Respondent, the Complainant, any other witnesses, and the date, time, and location of the alleged incident.

**Intake and Processing of Report**

**Receipt of Report**
After receiving a report of sexual harassment, the Title IX Officer shall contact the Complainant and reporting party to explain rights under this policy and procedure and invite the Complainant to an in-person meeting. The Title IX Officer shall discuss supportive measures with the Parties.

**Timeframe for Reporting**
To promote timely and effective review, the District strongly encourages individuals to report sexual harassment as soon possible because a delay in reporting may affect the ability to collect relevant evidence and may affect remedies the District can offer.

**Supportive Measures**
Supportive measures are non-disciplinary, non-punitive individualized services offered free of charge to the Complainant or the Respondent regardless of whether a formal complaint has been filed. The District shall provide the Complainant and Respondent with written notice of options for, available assistance in, and how to request available supportive measures. The District will provide such measures to Complainant and Respondent as appropriate and as reasonably available to restore or preserve equal access to the District’s education program or activities. These measures are designed to protect the safety of all Parties, protect the District’s educational environment, or deter sexual harassment. The District shall provide supportive measures on a confidential basis and shall not disclose that the District is providing supportive measures except to those with a need to know to enable the District to provide the service. Supportive measures may include changes to academic, living, transportation, and working situation or protective measures such as counseling, extensions of deadlines, other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the Parties, changes in work or
housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

When requested by a Complainant or otherwise determined to be appropriate, the District shall issue a no-contact directive prohibiting the Respondent from contacting the Complainant during the pendency of the investigation. The District shall not issue a mutual no-contact directive automatically, but instead shall consider the specific circumstances of each report of sexual harassment to determine whether a mutual no-contact directive is necessary or justifiable to protect a Party’s safety or well-being, or to respond to interference with an investigation. If the District issues any no-contact directive, the District shall provide the Parties with an explanation of the terms of the directive, including the circumstances, if any, under which violation could be subject to disciplinary action. If the District issues a mutual no-contact directive, the District shall also provide the Parties with a written justification for the directive.

**Removal of Respondent Pending Final Determination**

Upon receiving a report regarding sexual harassment, the Title IX Coordinator shall make an immediate preliminary assessment concerning the health and safety of the Complainant and campus community as a whole. The District has the right to order emergency removal of a Respondent, or if the Respondent is an employee, place the employee on administrative leave.

**Emergency Removal**

The District may remove a non-employee Respondent from the District’s education program or activity on an emergency basis after it conducts an individualized safety and risk analysis and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal.

The District may not use emergency removal to address a Respondent’s threat of obstructing the sexual harassment investigation or destroying relevant evidence. Emergency removal is only available to address health or safety risks against individuals arising out of sexual harassment allegations, not to address other forms of misconduct that a Respondent might commit pending the processing of a complaint.

The District’s Behavioral Intervention Team (BIT) or designee shall conduct the individualized safety and risk analysis.

If the BIT or designee determines emergency removal is appropriate, they or designee shall provide the person the District is removing from campus on an emergency basis
with a notice and opportunity to attend a meeting and challenge the basis of their removal. The BIT or designee shall determine whether the emergency removal from campus order is warranted after considering information provided by the Respondent challenging the emergency removal.

Administrative Leave
The District may place a non-student employee Respondent on administrative leave during the pendency of a grievance process described in the formal complaint process below. The District shall follow any relevant policies, procedures, collective bargaining agreements, or state law in placing an employee on administrative leave.

Formal Complaint Grievance Process

Notice to Parties
Upon receipt of a formal complaint, the Title IX Coordinator shall provide the following notice in writing, to the Parties:

- Notice of the District’s Title IX grievance process;
- Notice of the allegations of sexual harassment with sufficient details known at the time and with at least 5 working days to prepare a response before any initial interview;
- Statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- Notice that the Parties may have Advisor of their choice, who may be, but is not required to be, an attorney;
- Notice that the Parties may inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility, and inculpatory or exculpatory evidence whether obtained from a Party or other source; and
- Inform the Parties of any provision in the District’s code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process and
- For all parties, notice regarding appropriate counseling resources the District has developed and maintains.

If, in the course of an investigation, the District decides to investigate allegations about the Complainant or Respondent that are not included in the notice provided above, the Title IX Coordinator shall provide notice in writing of the additional allegations to the Parties.
Dismissing Formal Complaint

The District must investigate the allegations in a formal complaint. However, the District must dismiss the formal complaint and shall not process the complaint under these procedures if any of the following three circumstances exist:

- If the conduct alleged in the formal complaint would not constitute Title IX sexual harassment as defined in this procedure;
- If the conduct alleged did not occur in the District’s education program or activity;
- If the conduct alleged did not occur against a person in the United States.

The District has discretion to dismiss a formal complaint or any allegation under the following circumstances:

- If at any time during the investigation or hearing: a Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the formal complaint or any allegations;
- If the Respondent is no longer enrolled or employed by the District; or
- If there are specific circumstances that prevent the District from gathering evidence sufficient to reach a determination regarding responsibility as to the formal complaint or allegations.

If the District dismissed the formal complaint or any allegations, the Title IX Coordinator shall simultaneously provide the Parties with written notice of the dismissal and reason. The District shall also notify the Parties of their right to appeal.

The District may commence proceedings under other policies and procedures after dismissing a formal complaint.

Consolidation of Formal Complaints

The District may choose to, but is not required to, consolidate formal complaints as to allegations of sexual harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one Party against the other Party, where the allegations of sexual harassment arise out of the same facts or circumstances.

Equitable Treatment of the Parties

The District’s determination of responsibility is a neutral, fact-finding process. The District shall treat Complainants and Respondents equitably. The procedures shall apply equally to both Parties. The District shall not discipline a Respondent unless it determines the Respondent was responsible for sexual harassment at the conclusion of the grievance process.

Statement of Presumption of Non-Responsibility
The investigation is a neutral, fact-finding process. The District presumes all reports are in good faith. Further, the District presumes the Respondent is not responsible for the alleged conduct. The District makes its determination regarding responsibility at the conclusion of the grievance process.

**Bias or Conflict of Interest**
The District’s Title IX Coordinator, investigator, Decision-Maker, or any person designated by the District to facilitate an informal resolution process, shall not have potential actual bias or conflict of interest in the investigatory, hearing, sanctioning, or appeal process or bias for or against Complainants or Respondents generally. Actual bias is an articulated prejudice in favor of or against one Party or position; it is not a generalized concern about the personal or professional backgrounds, positions, beliefs, or interests of the Decision-Maker in the process. The District shall ensure that the Title IX Coordinator, investigator, Decision-Maker, and facilitator receive training on:
- The definition of sexual harassment in this procedure;
- The scope of the District’s education program or activity;
- How to conduct an investigation;
- The grievance process including conducting hearings, appeals, and informal resolution processes; and
- How to serve impartially, including avoiding: prejudgment of the facts at issue; conflicts of interest; and bias.

**Timeline for Completion**
The District shall undertake its grievance process promptly and as swiftly as possible. The District shall complete the investigation and its determination regarding responsibility or the informal resolution process within 120 calendar days.

When appropriate, the Title IX Coordinator may determine that good cause exists to extend the 120 calendar day period to conduct a fair and complete investigation, to accommodate an investigation by law enforcement, to accommodate the unavailability of witnesses or delays by the Parties, to account for District breaks or vacations, or due to the complexity of the investigation. The District shall provide notice of this extension to the Complainant and Respondent in writing and include the reason for the delay and anticipated timing of completion.

A Party may request an extension from the Title IX Coordinator in writing by explaining the reason for the delay and the length of the continuance requested. The Title IX Coordinator will decide and shall notify the Parties and document the grant or denial of a request for extension or delay as part of the case recordkeeping, and the basis of the decision. The District shall grant a student Party’s reasonable request for an extension of a deadline related to a Complaint during periods of examinations or school closures.
Role of Advisor
The role of the Advisor is to provide support and assistance in understanding and navigating the investigation process.

The Advisor may not testify in or obstruct an interview or disrupt the process. The Title IX Coordinator has the right to determine what constitutes appropriate behavior of an Advisor and take reasonable steps to ensure compliance with this procedure.

A Party does not have a right to self-representation at the hearing; an Advisor must conduct any cross-examination. The District must provide an Advisor of its choice, free of charge to any Party without an Advisor in order to conduct cross-examination. If an Advisor fails to appear at the hearing, the District shall provide an Advisor to appear on behalf of the non-appearing Advisor. To limit the number of individuals with confidential information about the issues, each Party may identify one Advisor.

Confidentiality Agreements
To protect the privacy of those involved, the Parties and Advisors are required to sign a confidentiality agreement prior to attending an interview or otherwise participating in the District’s grievance process. The confidentiality agreement restricts dissemination of any of the evidence subject to inspection and review or use of this evidence for any purpose unrelated to the Title IX grievance process. The confidentiality agreement shall not restrict the ability of either Party to discuss the allegations under investigation.

Use of Privileged Information
The District’s formal complaint procedure does not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally-recognized privilege (e.g., attorney-client privilege, doctor-patient privilege, spousal privilege, etc.), unless the person holding the privilege provides voluntary, written consent to waive the privilege.

Student Complainant Requests for Confidentiality
If a student Complainant requests confidentiality when reporting sexual harassment, which could preclude a meaningful investigation or potential discipline of the Respondent, if found responsible, or that no investigation or disciplinary action be pursued to address alleged sexual harassment, the District shall take the request seriously, while at the same time considering its responsibility to provide a safe and nondiscriminatory environment for all students, including for the Complainant. The District shall normally grant the request when possible. In determining whether to disclose a Complainant’s identity or proceed to an investigation over the objection of the Complainant, the District may consider whether any of the following apply:

- There are multiple or prior reports of sexual misconduct against the Respondent;
The Respondent reportedly used a weapon, physical restraints, or engaged in battery;
- The Respondent is a faculty or staff member with oversight of students;
- There is a power imbalance between the Complainant and Respondent;
- The Complainant believes that the Complainant will be less safe if the Complainant’s name is disclosed or an investigation is conducted; and
- The District is able to conduct a thorough investigation and obtain relevant evidence in the absence of the Complainant’s cooperation.

If the District determines that it can honor the student-Complainant’s request for confidentiality, it shall still take reasonable steps to respond to the Complaint, consistent with the request, to limit the effects of the alleged sexual harassment and prevent its recurrence without initiating an investigation or revealing the identity of the Complainant. The District shall also take immediate steps to provide for the safety of the Complainant while keeping the Complainant’s identity confidential as appropriate. The District shall notify the Complainant that the request for confidentiality will limit the steps the District will take to respond to the report of sexual harassment.

If the District determines that it must disclose the student-Complainant’s identity to the Respondent or proceed with a Formal Complaint, it shall inform the Complainant prior to making this disclosure or initiating the investigation. The District shall also take immediate steps to provide for the safety of the Complainant where appropriate. In the event the Complainant requests that the District inform the Respondent that the Complainant asked the District not to investigate or seek discipline, the District shall honor this request.

**Investigations**
The Title IX Coordinator is responsible to oversee investigations to ensure timely resolution and compliance with Title IX and this procedure.

Both Parties have the right to have an Advisor present at every meeting described in this section.

**Trained Investigators**
The District shall investigate Title IX formal complaints fairly and objectively. Individuals serving as investigators under this procedure shall have adequate training on what constitutes sexual harassment and how the District’s grievance procedures operate, and trauma-informed investigation techniques. The District shall also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence and complies with this procedure.

**Burden of Gathering Evidence**
The District, not the Parties, has the responsibility to gather information and interview witnesses. As part of the District's burden of gathering evidence, the District's investigator shall create an investigative report that fairly summarizes relevant evidence, whether it is inculpatory or exculpatory. The investigator shall not make findings or determinations of law or fact.

Student Complainants should be aware that any evidence available but not disclosed during the investigation might not be considered at a subsequent hearing, if a hearing is required under this procedure.

**Evidence of Past Sexual History**
An investigator or Decision-Maker shall not consider the past sexual history of the Complainant except in the limited circumstances described below:

- The investigator or Decision-Maker shall not consider the Complainant's prior sexual history unless such questions or evidence is offered to prove that someone other than the Respondent committed the alleged conduct; or
- The investigator or Decision-Maker shall not consider the Complainant’s prior sexual behavior unless the questions or evidence concern specific incidents of the Complainant’s prior sexual behavior with respect to the Respondent and are offered to prove consent.

  o Where the investigator or Decision-Maker allows consideration of questions or evidence about a dating relationship or prior or subsequent consensual sexual relations between the Complainant and the Respondent pursuant to this circumstance, the mere fact that the Complainant and Respondent engaged in other consensual sexual relations with one another is never sufficient, by itself, to establish that the conduct in question was consensual.

Before allowing the consideration of any evidence proffered pursuant to this section, the investigator or Decision-Maker shall provide a written explanation to the Parties as to why consideration of the evidence is consistent with this procedure.

**Notice of Investigative Interview**
The District shall provide written notice of the date, time, location, participants, and purpose of all investigative interviews to a Party whose participation is invited or expected, with sufficient time for the Party to prepare to participate.

**Evidence Review**
Both Parties have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the District does not intend to rely in
reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a Party or other source.

Prior to the investigator preparing an investigative report, the District shall make available to each Party and the Party’s Advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy. The Parties shall have at least ten days to submit a written response. The investigator must consider this written response prior to completing the investigative report.

**Investigative Report**

The results of the investigation of a formal complaint shall be set forth in a written report that shall include at least all of the following information:

- A description of the circumstances giving rise to the formal complaint;
- A description of the procedural steps taken during the investigation, including all individuals contacted and interviewed;
- A summary of the testimony of each witness the investigator interviewed;
- An analysis of relevant evidence collected during the investigation, including a list of relevant documents;
- A table of contents if the report exceeds ten pages; and
- Any other information deemed appropriate by the District.

The investigator shall not make a determination regarding responsibility.

The investigator may redact information not directly related to the allegations or privileged information. However, the investigator shall keep a log of information they do not produce to the Parties. The investigator shall provide this log only to the Title IX Coordinator. The Title IX Coordinator shall not disclose the log to the Parties but shall maintain the log in the Title IX Coordinators file, in the event it later becomes relevant.

At least ten days prior to a hearing, the District shall send the investigative report to each Party and their Advisors, if any, the investigative report in an electronic format or a hard copy, for review and written response. The Parties shall have at least ten days to submit a written response.

**Hearing**

After completing an investigation and prior to completing a determination regarding responsibility, the District shall hold a live hearing to provide the Complainant and Respondent an opportunity to respond to the evidence gathered before a Decision-Maker. Neither Party may choose to waive the right to a live hearing, but the Parties can choose whether to participate in the hearing or answer some or all cross-examination questions.
Notice
If the District proceeds to a hearing, the District shall provide all Parties written notice of the date, time, location, participants, and purpose of the hearing at least two weeks in advance, to allow the Party to prepare to participate.

Hearing Format
The District may provide a live hearing with all Parties physically present in the same geographic location or, at the District’s discretion if either Party or a witness requests, the District may provide any or all Parties, witnesses, and other participants the ability to appear at the live hearing virtually, with technology enabling participants simultaneously to see and hear each other in real time.

The District shall make the information reviewed during the Evidence Review available at the hearing for reference and consultation. The District shall not restrict the ability of either Party to discuss the allegations under investigation or to gather and present relevant evidence.

The District shall create an audio or audiovisual recording, or transcript, of any live hearing and make it available to the Parties for inspection and review.

The Decision-Maker shall provide an explanation of the meaning of the preponderance of the evidence standard, and affirm that it shall apply to adjudications under this procedure. The preponderance of the evidence standard is met if the District determines that it is more likely than not that the alleged misconduct occurred, based on the facts available at the time of the decision.

Decision-Maker
The Decision-Maker shall be free from conflict of interest or bias, including bias for or against Complainants or Respondents. In cases where the Complainant or Respondent objects to the Decision-Maker based on a conflict of interest or undue bias, the Complainant or Respondent may request the Title IX Coordinator select a different Decision-Maker. The Complainant or Respondent must make this request to the Title IX Coordinator in writing at least five business days prior to the hearing.

The Decision-Maker may ask the Parties and the witnesses questions during the hearing. The Decision-Maker must objectively evaluate all relevant evidence both inculpatory and exculpatory and must independently reach a determination regarding responsibility without giving deference to the investigative report. The Decision-Maker must receive training on issues of relevance, how to apply the rape-shield protections for Complainants, and any technology to be used at the hearing.

Presenting Witnesses
The District shall provide the Complainant and Respondent an equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. Witnesses, like Parties, are not required to participate in the live hearing process.

Only relevant evidence shall be admissible during the hearing. Relevant evidence means evidence, including evidence relevant to the credibility of a Party or witness, having any tendency in reason to prove or disprove any disputed fact material to the allegations under investigation.

Generally, the Parties may not introduce evidence, including witness testimony, at the hearing that the Party did not identify during the investigation and that was available at the time of the investigation. However, the Decision-Maker has discretion to accept for good cause, or exclude, such new evidence offered at the hearing.

**Cross-Examination**
The District shall permit each Party’s Advisor to ask the other Party and any witness relevant questions, including questions challenging credibility. The Party’s Advisor must conduct cross-examination directly, orally, and in real time. A Party may never personally conduct cross-examination. The other Party shall have an opportunity to object to a question posed. The District may limit such objections to written form, and neither the Decision-Maker nor the District are obligated to respond, other than to include any objection in the record. The Decision-Maker shall have the authority and obligation to discard or rephrase any question that the Decision-Maker deems to be irrelevant. In making these determinations, the Decision-Maker is not bound by, but may take guidance from, the formal rules of evidence.

Before a Complainant, Respondent, or witness answers a question, the Decision-Maker must first determine whether the question is relevant and explain any decision to exclude a question as not relevant. The Decision-Maker need not provide a lengthy or complicated explanation in support of a relevance determination.

If a Party or witness disagrees with a relevance determination, that individual has the choice of either (1) abiding by the Decision-Maker’s determination and answering the question or (2) refusing to answer the question.

If a Party or witness does not submit to cross-examination at the live hearing, the Decision-Maker may admit any statement of that Party or witness in reaching a determination regarding responsibility. The Decision-Maker will give the statements whatever weight the Decision-Maker determines appropriate, bearing in mind that the statements have not been tested by cross-examination. In doing so, the Decision-Maker
should consider, and if possible determine, whether the witness or Party made the statement and what the statement proves.

The Decision-Maker cannot draw an inference about the determination of responsibility based solely on a Party's or witness's absence from the live hearing or refusal to submit to cross-examination or to answer any question.

The Decision-Maker may also ask any Party or witness questions. If a Party or witness refuses to respond to a Decision-Maker’s questions, the Decision-Maker is not precluded from relying on that Party or witness’ statements.

**Determinations of Responsibility**

When the Decision-Maker makes a determination of responsibility or non-responsibility, the Decision-Maker shall issue a written determination regarding responsibility, no later than twenty (20) business days after the date that the hearing ends.

When making a determination regarding responsibility, a Decision-Maker shall objectively evaluate all relevant evidence, including both inculpatory and exculpatory evidence. A Decision-Maker may not make credibility determinations based on an individual’s status as a Complainant, Respondent, or witness. In evaluating the evidence, the Decision-Maker shall use the preponderance of the evidence standard. Thus, after considering all the evidence it has gathered, the District shall decide whether it is more likely than not that sexual harassment occurred.

The written determination shall include:

- Identification of the allegations potentially constituting Title IX sexual harassment as defined in these procedures;
- A description of the procedural steps taken from the receipt of the formal complaint through the determination, including who conducted the investigation and gave notifications to the Parties. The determination shall also state when, where, and the date the investigator interviewed the Parties and witnesses, conducted site visits, the methods used to gather other evidence. The procedural section should also discuss the dates and how the Parties were provided the opportunity to review and inspect evidence and the date of any hearings held and who attended the hearing;
- Findings of fact supporting the determination. In making these findings, the Decision-Maker shall focus on analyzing the findings of fact that support the determination of responsibility or non-responsibility;
- Conclusions regarding the application of the District’s code of conduct to the facts;
A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility;

A statement of, and rationale for, any disciplinary sanctions the District imposes on the Respondent;

A statement of whether the District shall provide the Complainant with remedies designed to restore or preserve equal access to the District’s education program or activity;

The District need not disclose to the Respondent remedies that do not affect him/her/them as part of the written determination. The District can inform the Respondent that it shall provide remedies to the Complainant. However, the District shall inform the Complainant of the sanctions against the Respondent;

The District’s procedures and permissible bases for the Complainant and Respondent to appeal.

The District shall provide the written determination to the Parties simultaneously. The determination regarding responsibility becomes final either on the date that the District provides the Parties with the written determination of the result of the appeal, if the Parties file an appeal, or if the Parties do not file an appeal, the date on which an appeal would no longer be timely.

Disciplinary Sanctions and Remedies
The District must have completed the grievance procedures (investigation, hearing, and any appeal, if applicable) before imposing disciplinary sanctions or any other actions that are not supportive measures against a Respondent. If the Decision-Maker determines the Respondent was responsible for conduct that constitutes sexual harassment, the District shall take disciplinary action against the Respondent and any other remedial action it determines to be appropriate. The action shall be prompt, effective, and commensurate with the severity of the offense.

Remedies for the Complainant might include, but are not limited to:

- Providing an escort to ensure that the Complainant can move safely between classes and activities;
- Ensuring that the Complainant and Respondent do not attend the same classes or work in the same work area;
- Providing counseling services or a referral to counseling services;
- Providing medical services or a referral to medical services;
- Providing academic support services, such as tutoring;
- Arranging for a Complainant, if a student, to retake a course or withdraw from a class without penalty, including ensuring that any changes do not adversely affect the Complainant’s academic record; and
Reviewing any disciplinary actions taken against the Complainant to see if there is a causal connection between the harassment and the misconduct that may have resulted in the Complainant’s discipline.

Possible disciplinary sanctions for student Respondents include written or verbal reprimand, required training or counseling, non-academic probation, suspension, and expulsion. Possible disciplinary sanctions for employee Respondents include written or verbal reprimand, required training or counseling, job reassignment, suspension, or discharge.

Appeal of Dismissal of a Formal Complaint or of the Determination of Responsibility
A Complainant or Respondent may appeal the District’s determination regarding responsibility or the dismissal of a formal complaint or any allegations. A Complainant or Respondent must submit a written appeal within ten (10) business days from the date of the notice of determination regarding responsibility or from the date of the District’s notice of dismissal of a formal complaint or any allegations.

Grounds for Appeal
The Board of Trustees shall serve as the Decision-Maker on Appeal. In filing an appeal of the District’s determination regarding responsibility or the District’s dismissal of a formal complaint, the Party must state the grounds for appeal and a statement of facts supporting those grounds. The grounds for appeal are as follows:

- A procedural irregularity affected the outcome;
- New evidence was not reasonably available at the time the District’s determination regarding responsibility or dismissal was made, and this new evidence could affect the outcome; or
- The District’s Title IX Coordinator, investigator, or Decision-Maker had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant or Respondent that affected the outcome.

Appeal Procedure
If the Complainant or Respondent submit an appeal to the District, the District shall:

- Notify the other Party in writing within five (5) business days of receiving a Party’s appeal;
- Allow the non-appealing Parties at least ten (10) business days from the date of receipt of the appeal to submit a written statement in support of, or challenging, the outcome;

The appeal Decision-Maker shall issue a written decision on whether to grant or deny the appeal, and the rationale for the decision, within thirty (30) business days after the
Decision-Maker on appeal receives the response to the appeal or the last day to provide a response. The District shall provide the written decision simultaneously to both Parties.

The Decision-Maker on appeal may extend or otherwise modify the deadlines provided above. Either Party may seek an extension by submitting a written request to the appeal Decision-Maker explaining the need for the extension and the proposed length of the extension. The Decision-Maker shall respond to the request within 48 hours in writing and shall inform the Parties simultaneously whether the extension is granted.

**Informal resolution**
If the District determines that a formal complaint is appropriate for informal resolution, it may provide the Parties with the opportunity to participate in an informal resolution process, including mediation, at any time prior to reaching a determination regarding responsibility.

The District shall provide the Complainant and Respondent written disclosure of the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the Parties from resuming a formal complaint arising from the same allegations, and any consequences resulting from participating in the informal resolution process, including the records that shall be maintained or could be shared.

The District must obtain the Parties’ voluntary, written consent to the informal resolution process. If the Parties reach an agreement, the District does not have to complete a full investigation and adjudication of a report of sexual harassment. At any time prior to agreeing to a resolution, any Party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint.

The informal resolution process is not available to resolve allegations that an employee sexually harassed a student or any allegations of sexual assault.

**Retaliation Prohibited**
The District prohibits any intimidation, threats, coercion, or discrimination against any individual who made a report or complaint of sexual harassment, testified, assisted, or participated or refused to participate in any manner in a Title IX investigation, proceeding, or hearing. Individuals who experience retaliation may file a complaint using the formal complaint process described above.

**Dissemination of Policy and Procedures**
The District shall provide its policy and procedures related to Title IX on its website and in each handbook or catalog provided to applicants for admission and employment,
students, employees, and all unions or professional organizations holding collective bargaining with the District. The District will also provide its policy and procedures related to Title IX to all volunteers who will regularly interact with students and each individual or entity under contract with the District to perform any service involving regular interaction with students.

When hired, employees are required to sign acknowledging that they have received the policy and procedures. The District shall place the signed acknowledgment of receipt in each employee’s personnel file.

Training
The District shall ensure that a comprehensive trauma-informed training program has been provided to Title IX Coordinators, investigators, Decision-Makers, and any individual who facilitates an informal resolution process, on the definition of sexual harassment, the scope of the District’s education program or activities, best practices for assessment of a sexual harassment complaint, how to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including avoiding prejudgment of the facts at issue, conflicts of interest, bias, and implicit bias and racial inequities, both broadly and in school disciplinary processes. Any materials used to train the District’s Title IX Coordinator, investigators, Decision-Makers, and any person who facilitates an informal resolution process, shall not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment. Materials for this training must include statistics on the prevalence of sexual harassment and sexual violence in the educational setting, and the differing rates at which students experience sexual harassment and sexual assault in the educational setting based on their race, sexual orientation, disability, gender, and gender identity.

The District will provide Officials with Authority with training regarding his/her/their obligation to report sexual harassment and instruction on how to report sexual harassment to the Title IX Coordinator.

File Retention
The District shall retain on file for a period of at least seven years after closing the case copies of:

- The original report or complaint;
- Any actions taken in response to the complaint, including supportive measures;
- The investigative report including all evidence gathered and any responses from the Parties;

● Records of any remedies provided to the Complainant;

The District shall make these documents available to the U.S. Department of Education Office for Civil Rights upon request.

Complaint Reporting

The Superintendent/President shall provide the Board, upon request, a report of complaints filed pursuant to AP 3434. This report must disaggregate the complaints by complaint type (Student Complainant and Student Respondent, Student Complainant and Employee Respondent, Employee Complainant and Student Respondent, Employee Respondent and Employee Respondent, etc.). This report must also disaggregate the complaints by the Complainant’s race, age, gender, religion, or any other characteristic when available, identified by the Board.
