CONTEXT: This is the next step in the development of a Facilities Master Plan for all three SBCC campuses. The initial activities in Step 3A were to assess the existing conditions of the site and its buildings and obtain feedback on zoning concepts from Core Team and Infrastructure Services Group. At the Governing Bodies Workshop on April 22nd, we gathered ideas for locating site and building programs for Main Campus. We also reviewed and gathered feedback of drafted block diagram schemes for Wake and Schott Campuses.

PURPOSE: The purpose of this meeting is to:

- Review draft Block Diagram Scenarios for Main Campus
- Review draft Block Diagram Scenarios for Wake and Schott

INTENDED RESULTS: The intended results of this meeting are to:

- Review input from Governance Bodies on draft Block Diagram Scenarios of site and program adjacencies.
- Collect feedback on Program Cluster and Location Concepts
