**Current Number of Students Served**

0

**Target Number of New Students Served for 2016-17**

15-20

**Do you currently receive NON-AEBG funding that supports the proposed activity? If yes, please describe how additional funding expands or supports that activity.**

No

**What is your sustainability plan for this activity when funding is no longer available?**

1. In the coming year, Department of Rehabilitation (DOR) will collaborate with SBCC Continuing Education to apply for and develop a WorkAbility II Cooperative program. Using an in-kind match for time of SBCC staff providing direct services to adults with disabilities supported by DOR, such as the Program Coordinator/Counselor, Adjunct Non-Credit Instructor(s), and Tutor(s), DOR will be able to draw down federal dollars to fund paid Work Experience (Internship experiences) and Employment Services.
2. A service budget from DOR will pay for participants' training and placement expenses (example books, work clothes, tools, job coaching, transportation.)
3. The Program Coordinator/Counselor will work with students to access services through Department of Rehabilitation (DOR), linking them to internship and employment opportunities.
4. Further vocational training for adults with disabilities through SBCC Continuing Education may also be funded by DOR.
