Scholarships and Financial Aid

Santa Barbara City College offers a great variety of scholarships to its students. Some require the satisfactory completion of a minimum number of units of course work at SBCC, while others are open to recent high school graduates and other students attending SBCC for the first time in the fall 2024 semester. Please note that by filling out the single Annual Scholarship Application, you will automatically be filtered into all scholarships for which you are eligible. You will not have to select individual scholarships to apply to unless otherwise specified in the scholarship description.

Scholarships are awarded based on a combination of academic achievement, financial need, and/or campus/community involvement. Eligibility and criteria vary from scholarship to scholarship. Contributions and endowments from community organizations, individuals, corporations, and foundations fund SBCC scholarships. They are administered by the Foundation for Santa Barbara City College, a nonprofit organization associated with the College that raises and manages private funds that benefit SBCC students.

Privately funded scholarships are only one form of financial aid available to students. To be considered for other types of financial aid (Federal and/or State), please contact the SBCC Financial Aid Office at (805) 730-5157 or visit our website, (https://www.sbcc.edu/financialaid/).

Scholarship information and application assistance is available through the Financial Aid Office, beginning Tuesday, January 2, 2024. Online application information can be found on the SBCC Scholarships webpage (https://sbcc.scholarships.ngwebsolutions.com/) beginning January 8, 2024. For additional information, please contact scholarships@pipeline.sbcc.edu.

All 2024 high school graduates and any other first year students attending SBCC for the first time during the fall 2024 semester are eligible and encouraged to apply for scholarships described in this booklet and indicated by an asterisk (*) following the title. New students need to enroll in SBCC and obtain their Pipeline login information prior to applying for scholarships. Please visit Enrollment Services (https://www.sbcc.edu/enrollmentservices/) for help on submitting an application to SBCC.

Students transferring to four-year institutions or to advanced vocational or professional schools in fall 2025 are encouraged to apply for scholarships indicated by a plus (+).

Application Deadline

Unless otherwise specified, all completed applications including supporting documentation must be submitted electronically with your scholarship application by:

**Friday, March 1, 2024, 11:59 P.M. PST**

Late applications will not be accepted.
Scholarship Application Procedure

ELIGIBILITY REQUIREMENTS: By filling out a single Annual Scholarship Application, students’ will automatically be filtered into all scholarships for which they are eligible. Students’ applications are screened for scholarship eligibility based on criteria established for each individual scholarship, which can be found in the scholarship descriptions listed in this booklet.

SCHOLARSHIP SELECTION COMMITTEE: SBCC faculty and staff comprise selection committees who review and rank student applications. Applications for general and cross-disciplinary scholarships are “blind” (i.e., each is assigned a number and no name is associated with an application); however, department scholarships are not.

CONFIDENTIALITY: Information supplied on scholarship applications is understood to be confidential. By signing the application, applicants agree that SBCC and the Foundation for Santa Barbara City College may share the contents of scholarship applications with selection committees and/or funding sources.

APPLICATION MATERIALS CHECKLIST: You will be prompted to submit the following materials as part of your application:

- Complete Scholarship Application Information – Available online at https://www.sbcc.edu/financialaid/scholarships.php (SBCC Scholarships website).
- Transcripts – Current SBCC students must submit an unofficial transcript as part of their application. Entering students must submit their most recent unofficial transcripts from the last educational institution attended.
- Letters of Recommendation – Letter of recommendation are optional and will not be required of all students unless prompted by the application based on eligibility.

Check with appropriate departments for additional requirements for department-specific scholarships. Incomplete applications will not be considered.

DEADLINES: Unless otherwise noted in the scholarship description, the deadline for submitting the online Annual Scholarship Application is Friday, March 1, 2024, by 11:59 P.M. PST. Applications MUST be submitted online (https://sbcc.scholarships.ngwebsolutions.com/).

PAYMENT PROCESS: Unless otherwise noted, scholarship awards are disbursed in two equal payments, at the outset of the fall 2024 and spring 2025 semesters. In order to receive their scholarship funds, students must formally accept their scholarship offer and submit a thank you note to their scholarship donor(s) in the Scholarship Manager. Students must also meet minimum unit requirements of individual scholarships during each semester of the award period.

As noted above, awards are available to students who will be transferring in the upcoming academic year. Transferring students must submit written verification of enrollment at the transfer institution to SBCC’s Financial Aid Office in order to initiate a fund transfer. Upon receipt of this information, award payment will be sent in a lump sum to the Financial Aid Office of your transfer institution. Scholarship funds may not be transferred to other community colleges. Instructions for requesting fund transfer are at https://www.sbcc.edu/financialaid/scholarships.php.
