Petition for Past Due Payment Plan

This is a formal request for a Payment Plan specifically for a SBCC student account with an outstanding balance and current financial hold. A payment plan for an outstanding balance may be permitted in certain circumstances such as, but not limited to; Federal Pell/Loan Pullbacks, Residency Reclassification, loss of income, financial hardship, etc. Students must provide a personal statement detailing any circumstances that may be used for consideration of this petition. Any extenuating circumstances listed may require supporting documentation and must be submitted with this request.

Past Due Payment Plans will allow you to register for the upcoming/current semester only. If you would like to register for the semester following, you must complete your payment plan and have no outstanding debts to SBCC.

Past Due Payment Plans are administered through Nelnet Business solutions. This is an interest-free plan with a non-refundable \$25 setup fee.

Past Due Payment Plans will result in a graduation hold on the student account. The hold will not be removed from the student account until the Past Due balance is paid in full.

The petition will be returned if any pertinent information is missing.
