SANTA BARBARA COMMUNITY COLLEGE DISTRICT

CLASSIFICATION:  CLASSIFIED
CLASS TITLE:  DIRECTOR – INSTITUTIONAL EFFECTIVENESS & STUDENT SUCCESS

SALARY TABLE:  30
SALARY RANGE:  154

BASIC FUNCTION:
Under the direction of an assigned administrator, plan, organize, control and direct operations and activities involved in the research, review, analysis, interpretation and reporting of a variety of data and information used in assessing institutional effectiveness and student success. Assist with College planning, accreditation and decision-making, and determine implications of College practices, policies, measures and procedures. Provide training to faculty, staff and administrators related to effective use of data.

ESSENTIAL DUTIES:
Plan, organize, control and direct operations and activities involved in the research, review, analysis, interpretation and reporting of a variety of data and information used in assessing institutional effectiveness and student success.

Collect, present and discuss meaningful data that contribute to strategic planning and the development of policy decisions related to improvement in student success. Coordinate and integrate the institutional research initiatives related to the Student Equity Plan and SSSP Plan with the college’s strategic planning processes.

Provide support to faculty, staff and administrators regarding research methodologies, results, and their direct relationship to student success. Provide training to faculty, staff and administrators related to effective use of data. Collaborate with and advise faculty and staff on the design, implementation, and evaluation of research-based projects, including the Student Equity Plan and the SSSP Plan. Collaborate with and advise faculty on analyzing and evaluating SLO data.

Design, develop and conduct major institutional research studies, perform statistical analyses and prepare and present reports on research results with specific impact on student success.

Serve as a resource on the Institutional Effectiveness Committee, the Student Success Support Program (SSSP) Committee, the Student Equity Committee and the SLO Committee to advise on all aspects of the process for assessing the effectiveness of the college’s efforts to achieve the goals and objectives in its student equity and SSSP plans. Collaborate with others in reviewing, interpreting and determining implications of various College practices and measures of institutional effectiveness as they pertain to achieving the desired outcomes of the institution’s student equity and SSSP plans. Coordinate and participate in the development and analysis of related data. Serve as a resource as requested to the College Planning Council. Serve on various
college committees that involve the review and analysis of research and assessment data pertaining to the institution’s student equity and SSSP plans.

Prepare and deliver written and oral presentations on the findings, results, implications and recommendations of research studies related conducted in support of the college’s student equity and SSSP plans.

Maintain current knowledge of laws, codes, ordinances, regulations and pending legislature related to institutional assessment, research, planning and accreditation as they pertain to the college’s student equity plan and SSSP plans. Modify projects, studies, functions and procedures to assure compliance with local, State and accreditation requirements associated with the college’s student equity and SSSP plans.

Supervise and evaluate the performance of assigned personnel; interview and select employees and recommend transfers, reassignment, termination and disciplinary actions; coordinate subordinate work assignments and review work to assure compliance with established standards, requirements and procedures; assure employee understanding of established requirements.

Promote strong partnerships with research counterparts at local high schools and universities. Communicate with personnel, administrators and various outside agencies to exchange information and resolve issues or concerns that pertain to the college’s student equity and SSSP plans.

Operate a variety of office equipment including a computer and a variety of specialized systems and software; participate in developing, selecting and upgrading computer systems as directed; drive a vehicle to conduct work.

OTHER DUTIES:
Perform related duties as assigned.
