

Need help with the math questions?

Here are some resources that might help you:

- [SBCC math course descriptions](#) – read the descriptions to see if they match a math class you have taken previously at another school.
- **SBCC Math Equation Samples** listed below from the “lowest” level of math to the “highest” level of math to help you.
 - [Basic Math](#)
 - [Algebra 1](#)
 - [Algebra 2](#)
 - [Pre-Calculus or higher](#)
