

EOPS - Adolfo Corral Award

Jakob Cavalli

Submitted by Eli Villanueva

It is a great pleasure to acknowledge Jakob Cavalli as the recipient of the Adolfo Corral award. Since joining the Running Start program through Santa Barbara's City College's EOPS program in 2019, Jakob has continued to work on his degrees for transfer with hard work and determination.

Jakob has been an invaluable member of our EOPS team, as a peer mentor, he has consistently been there for our students, going above and beyond to meet their needs and supporting them on their academic journey.

His consistent presence will be missed as he will be transferring this upcoming fall semester. We are all proud of Jakob and his accomplishments and we wish him the very best in the next chapter.
