

## UC Berkeley

### [Virtual Events](#)

- Personal Insight Question Workshop

Join the office of undergraduate admission officers, will give advice on how to respond to the application personal insight questions, and answer your questions. This session for both prospective freshmen and transfers. **Wednesday, October 7<sup>th</sup>. 3:00PM - 4:00PM PST**

<https://apply.berkeley.edu/register/?id=96aba8e9-554f-4c07-b613-9ed3c330178c>

- Personal Insight Question Workshop

Join the office of undergraduate admission officers, will give advice on how to respond to the application personal insight questions, and answer your questions. This session for both prospective freshmen and transfers. **Monday, October 19<sup>th</sup>. 1:00PM - 2:00PM PST**

<https://apply.berkeley.edu/register/?id=455c63e8-f84f-4536-a597-d9f29bfa980e>

- SEEDS Scholars Program

The STEM Excellence through Equity & Diversity (SEED) Scholars program, is an honors program focused on supporting and inspiring historically underrepresented students interested in all areas of STEM. If you dream of earning your Ph.D., becoming a leader in a STEM field, and making the world a better place, the SEED Scholars Honors program is interested in you.

**Wednesday, October 7<sup>th</sup>. 4:15PM - 5:00PM PST**

<https://admissions.berkeley.edu/discover-berkeley>

- Envision Haas | Transfer Outreach Program

Learn more about the Envision Haas admissions outreach program through the Haas School of Business. Join us for a tour of Haas, an admissions info session, and a student panel. **Friday, October 9<sup>th</sup>. 5:00PM - 6:00PM PST**

- Discover Berkeley Virtual Open House

**Saturday, October 17, 2020. 9:00AM - 3:00PM PST**

Virtual admissions presentations for prospective transfer applicants (no link provided, but see <https://admissions.berkeley.edu/discover-berkeley>)

- Berkeley Virtual Information Session

Tuesdays from 3-4pm

<https://apply.berkeley.edu/portal/presentation>

- Virtual Campus Visit

[https://berkeley.zoom.us/webinar/register/WN\\_Gp1CsNmfs56PNKOZG7Kd1g](https://berkeley.zoom.us/webinar/register/WN_Gp1CsNmfs56PNKOZG7Kd1g)

- Virtual Campus Ambassador Student Panel

[https://berkeley.zoom.us/webinar/register/WN\\_f\\_G2FHPASsyQSCybAnJxHA](https://berkeley.zoom.us/webinar/register/WN_f_G2FHPASsyQSCybAnJxHA)

- Virtual Engineering Visit-Thursdays at 12pm (PT) and Saturdays at 3pm (PT)

[https://berkeley.zoom.us/webinar/register/WN\\_72UwTsHTSQmLmeH9-jbFCA](https://berkeley.zoom.us/webinar/register/WN_72UwTsHTSQmLmeH9-jbFCA)

### UC Berkeley College of Engineering Webinar Series

- Berkeley Engineering Overview & The Secrets to Transfer Admissions  
Tuesday, October 6, 4-5 p.m.

This webinar will share information about UC Berkeley's College of Engineering and provide an overview of the transfer admissions process for California Community College students.

[Register here.](#)

- Faculty Talk Tuesday, October 13, 4-5 p.m.

Don't miss this opportunity to hear from Matthew Sherburne, of the Materials Sciences and Engineering department. Dr. Sherburne will speak about his experience transferring from community college to UC Berkeley and ultimately pursuing his PhD. He will also share advice on making the most of campus opportunities, including participating in undergraduate research.

[Register here.](#)

- Transfer Student Panel Tuesday, October 20, 4-5 p.m.

Join us to hear from current engineering transfer students about their experiences on campus, including participating in classes, internships, research, etc. We will have time for participants to ask their own questions. [Register here.](#)

- Finding Research Opportunities as a Community College Student Thursday, October 22, 4-5 p.m.

Undergraduate research opportunities are a great way to engage with a discipline in a hands-on way, contribute to the knowledge base, "try-on" graduate school, and enhance your transfer application. This session will provide an overview of the [Transfer-to-Excellence Research Internship](#) and introduce other ways to secure scientific research opportunities while enrolled in community college. [Register here.](#)

## UC Berkeley Engineering Department Specific Presentations

- Industrial Engineering & Operations Research Information Session Friday, October 16 4-5 p.m. Join us for an overview of the Industrial Engineering and Operations Research (IEOR) major, information about course preparation for transfer, and career opportunities in the field. [Register here.](#)
- Materials Science & Engineering Faculty Panel and Q&A Monday, October 26th, 1:30-3 p.m.

This session is designed to introduce students to Materials Science and Engineering (MSE), and how it relates to other engineering and science disciplines, as well as meet some of our faculty. You will learn about the areas of MSE, Research, Career/Internship opportunities. You will also get to learn the different career paths MSE has and what that has meant to each faculty member. There will be a question and answer session at the end. No need to register, simply [join via this link.](#)

- The Opportunity of Nuclear Engineering

Wednesday, October 28, 2-3 p.m.

Come learn about what we do in Nuclear Engineering and why that might be a good fit for you. [Register here.](#)

- Engineering Science Seminar: Human-AI Interaction Thursday, October 29, 1-2 p.m.

Professor Anca Dragan will be joining the ENGIN 93: Energy Engineering Seminars to speak about her work. This is a rare opportunity to join an actual UC Berkeley class. *This event is limited to students interested in the interdisciplinary Engineering Science majors:* [Register here.](#)

- Civil & Environmental Engineering: The Inside Scoop | Thursday, Oct 29th, 6:30-7:15 pm

Learn about CEE at Cal from current junior transfer students and advisors. [Register here.](#)
