

CSU Maritime Academy

Virtual Events

- Preview Week - Saturday, October 17 to Thursday, October 22, 2020

Preview Week is Cal Maritime's online open house for prospective students and their families. Students at any grade level including transfer students are welcome! The week kicks off with the opening session including a school overview followed by admission and financial aid information. Register for each session separately

Register now for the opening session and other sessions with registration links (on the Zoom webinar platform). When the various additional session topics October 17-22 are ready for registration, you will be contacted via email.

Opening Session (Webinar): School Overview, Admission, & Financial Aid combined Zoom webinar Sat., Oct. 17, 1:00-2:30 pm
