Need Help?
Call the UC Application Center at (800) 207-1710 (within U.S.) or (310) 513-2715 (outside U.S.), or email ucinfo@applyucsupport.net.

Questions?
If I've already submitted my application and want to apply to an additional campus, should I start a new application?

Electronic Process

- You do not need to complete the application at one time.
- Campuses will correspond via email.
- Make sure to keep and check the same email through this year.
- Check your "Spam" folders

Did you submit a TAG?

- ❖ *If you submitted a TAG for Fall 2018, your courses from the Transfer Admission Planner will be uploaded to the UC application.*
- ❖ *Follow the directions in the application to enable the transfer of information.*
- ❖ *After your courses from the Transfer Admission Planner appear in your UC application, review each semester to make sure all of your courses are recorded in the application*

Personal Insight Questions....

- ★ *The UC application is both for admissions and UC scholarships.*
- ★ *All applicants must provide responses to the Personal Insight Questions.*
- ★ *UC Berkeley and UCLA use the Personal Insight Questions in considering you for admissions. All UC campuses use your responses for UC scholarships but not necessarily for admissions.*
- ★ *The Transfer Center is offering workshops on the Insight Questions.*

Application Tips

- *If you will have 60 or more transferable units completed by the end of spring semester your application level is a JUNIOR not a sophomore or senior.*
- *Apply broadly and use your alternate major option if available.*
- *Don't send transcripts until they are requested.*
- *If you have attended a non-U.S. college or university the UC will ask you to provide transcripts prior to admission decision.*
- *You must enter all the courses that appear on your transcripts include in progress and planned courses. If you don't know what courses you need to take for Spring semester, meet with a counselor as soon as possible.*

Application Fee

- 1. There is a \$70 application fee per campus.*
- 2. A waiver is available but determined only after you hit submit.*
- 3. The waiver will cover the cost of 4 campuses.*
