

Transfer Success Action Plan
Until you have completed 30 transferable semester units (Freshman)

Complete transferable English and Math courses as early as possible as well as the UC Seven Course Pattern and the CSU Golden Four required to meet minimum eligibility requirements.	
Decide if you want to obtain a TAG . http://www.sbccc.edu/transferacademy/TAG.php	
Decide if you want to obtain an Associate Degree for Transfer (ADT) . http://articulation.sbccc.edu/CSU/ADT.htm	
If you already know your major and the universities you want to transfer to, start taking your major preparation courses. Information for UC and CSU majors is available at www.assist.org .	
Complete a variety of transferable exploratory courses in your area(s) of interest from IGETC and/or CSU GE.	
Declare your college major no later than the end of your second semester.	
Select at least 3 universities to which you will apply. Use the resources on the Transfer Center's Explore and Research Universities web page. http://www.sbccc.edu/transfercenter/Explore_and_Research_Universities.php	
Attend annual Transfer Day in November to meet with university representatives	
Participate in Virtual College Fairs through CollegeWeek Live and PrepTalk .	
Meet with University Admissions Representatives in the Transfer Center.	
Attend workshops sponsored by the Transfer Center, Career Center, and the Learning Resource Center (LRC).	
Participate in student clubs and organizations that match your interests.	
Volunteer or do an internship.	
Find out about Summer Programs related to your major (area of interest) offered by four-year universities and apply.	
Check your academic progress by using MAP	
Meet with a counselor to update your Academic Plan.
